When if it is offered by the owner to the Dt Bd itself, what necessity is there for Govt sanction? Is there any prohibition in the L B Regt. against L. Boards acquiring property by gift or otherwise?

The building now in question was said to be the old police lines which on the construction of new police lines were sold to the late Krishnasami Pillay. It is reported by the Amildar that no previous references are forthcoming to show when and on what terms the building was sold to him.

The Amildar and the Sub Divisional Assistant Commissioner recommend that with some repairs, the building offered free of charge may be conveniently converted into a Mussafarkana and managed by Government. The District Board resolved at their meeting held on 14-8-1912 that the gift might be accepted. 2 copy of the resolution is herein enclosed for reference.

3 I request that you will be so good as to obtain sanction of Government to the building being vested to the District Board for use as a Mussafarkana.

I have the honor to be,
Sir,
Your most obedient servant,

President, District
Boards - Kadur
